

## The **BROADWAY METRO MARKETS**

is an effort by GPTC and local urban farms/ markets to provide fresh produce choices to citizens and riders, by organizing farmers' markets near Broadway Metro Express stops. The market partners include:

- **Catholic Charities**
- **FAITH Farms & Orchard at Progressive Church**
- **Stewart House Urban Farm and Gardens**
- **Ivy Tech Community College**

# BROADWAY.

**metro markets**

This effort will not only provide healthier food choices to residents but will fulfill GPTC's **Livable Broadway Regional Plan** goals for turning stops into activity centers and engaging communities on Broadway.

GPTC and participating markets will provide unified outreach and advertising of the markets after each market sets its schedule for 2018. The markets will be scheduled near stops to allow GPTC riders access and discounts at the sales. In addition, FAITH Farms will also accept EBT cards.

**Other partners are welcome.** Please contact: David Wright of GPTC ([PlanningManager@gptcbus.com](mailto:PlanningManager@gptcbus.com)) or Terri Saltzman of Purdue Extension ([tsaltzma@purdue.edu](mailto:tsaltzma@purdue.edu)).
